HYDE PARK WARD WELFARE

HOW TO GET A FOOD ORDER

1

Meet with your Elders Quorum President or Relief Society President for welfare approval

2

With your leader, decide how long you will get food and who you can contact when you need help picking up food.

3

Make a meal plan for the next two weeks. Write it down so that we can help you get the food you need.

4

Arrange for someone to pick up your food.

5

On the Sunday before food arrives meet with the food order coordinator to submit a shopping list.

6

Make sure you receive a confirmation email or text by Wednesday night.

7

On Friday, you or a friend should pick up food at 9:15 at the church. (If you can't pick it up, it goes back on the truck!)

8

If you need more help after your food order end date, contact your welfare council member.
